City of Deltona and Developer Break Ground for 12 Screen Movie Theatre

May 4, 2011— The City of Deltona and developer Deltona Retail Holdings, LLC will mark the start of commercial development in the Deltona Activity Center, with the ground-breaking ceremony for EPIC Theatres. This event, which is open to the public, will take place on Friday May 20th starting at 3:30pm. The ground breaking will be at the site of the movie theatre, on Normandy Boulevard, south of Graves.

EPIC Theatres' new facility will house 12 screens, and have a seating capacity of more than 2,400 patrons. Construction has begun on the theatre, and is scheduled to be completed before the end of the year. The Activity Center has been part of the City's economic development plan for several years, and is in one of the few remaining locations along the I-4 Corridor that is slated for commercial development.
